In Memory of Dr. Angelo Casabianca**  
Saturday June 16, 2018  
Chadwick Lake Park, Newburgh NY

The 9<sup>th</sup> Annual Lap4Life event was a huge success with well over 1500 race day attendees which enabled us to donate \$62,000 directly to our causes, the Desmoid Tumor Research Foundation and Organ Donation / Organ Transplant research.

We are excited to be Celebrating our 10<sup>th</sup> Annual Lap4life Event. Over the past nine years, Lap4Life has received an overwhelming response from runners, walkers, volunteers, and spectators. It has proven to be a wonderful community event. Due to this response, Lap4Life is starting to prepare for our 10 year Anniversary on June 16, 2018. We currently are seeking sponsors and event underwriters.

This opportunity will give your business a wonderful marketing and promotion opportunity while giving back to a growing community event. We are proud to say that 100% of donations made go directly to our causes as we run solely on the help of volunteers.
